Dear Truman:

Many thanks for your letter of June 6, 1952,  
enclosing a communication from [redacted] concerning  
[redacted]

STAT

I note from [redacted] letter that these two  
individuals are not seeking employment, which would  
present some difficulty since they have not received  
their citizenship; however, I have asked some of our  
people to get in touch with them through [redacted] since  
there is always a possibility that we might make use of  
their services in an unofficial capacity.

Again my appreciation for bringing [redacted]  
and [redacted] to our attention.

Sincerely yours,

(Signed) ALLEN W. DULLES
